

Authorization to Provide Essential Services

March 23, 2020

To whom it may concern:

The worker bearing this Authorization is employed by Circon Environmental and one of its subsidiary companies:

- Intergulf Corporation
- Lonestar Ecology
- Intergulf Marine
- Beaver Oil
- STC

Our company and therefore this employee are engaged in Essential Services as defined by the **U.S. Department of Homeland Security** by providing critical infrastructure and services in the **Energy, Chemical, Water and Wastewater, and Transportation and Logistics industries**. The industries we serve are located in multiple states across the nation and therefore this authorization extends nationwide.

During this time of crisis, the bearer of this authorization is permitted to travel to and from work offices and/or the work site to ensure the safe, reliable and continuous operation of these critical, essential services for the betterment of our communities and local industries.
